Brandon. and Ubanga now attack those below and release the lions from a secret cave underground. Condo explains his position, confessing that he is their friend and the five attempt to fight off the lions until help comes. The natives of Tomikey come to rescue and help Brandon; the expedition members rush forward and a fight ensues at the edge of the pit. Brandon escapes when he believes his side to be beaten. Mac follows and they fight on top of a cliff where Brandon is thrown into the sea. Mac joins Marjorie; Edith is clinging to Jim. The treasure is now loaded into the tanks and all start for civilization.

On the bat, Marjorie and Mac are laughing over their escapes from the dangers of the jungle, while Jim and Edith plan their future.

The end.
